CHANGE OF PRESENTATION CURRENCY

The board of directors (the "**Board**") of Vobile Group Limited (the "**Company**"), together with its subsidiaries (the "**Group**"), hereby announces that the Group has adopted Hong Kong Dollar ("**HKD**") as the presentation currency for its consolidated financial statements (the "**Change of Presentation Currency**").

The consolidated financial statements of the Group have been presented in United States Dollar ("**USD**"). Having considered that the shares of the Company are listed on The Stock Exchange of Hong Kong Limited, the Board believes it is more appropriate to adopt HKD as its presentation currency for the Group's consolidated financial statements. In addition, the Board considers that the Change of Presentation Currency enables the shareholders and potential investors of the Company to have a more accurate picture of the Group's financial performance.

The first set of consolidated financial statements of the Group with HKD as its presentation currency will be the interim results of the Group for the six months ended 30 June 2021. The Change of Presentation Currency will be applied retrospectively. The comparative figures for 2020 will be restated in HKD in the interim results. The Change of Presentation Currency and restatement of the comparative figures from USD to HKD are not expected to have material impact on the financial statements of the Group.
